

**Dedicated to empowering Chicago adults and families through words.**

Literacy Chicago is the largest provider of free, individualized adult literacy services in Illinois. Our programs give thousands of Chicago area adult learners a chance to start again.

Basic skills instruction in reading, writing, computation, English-language use and computer skill development are provided by degreed staff and trained tutors. With these skills, students and their families are empowered to achieve greater self-sufficiency as they reach their personal, family and workplace goals.

Ready to help our students start a new chapter?  
Your support is appreciated.
